

New Forest & Beyond

We are a friendly group and meet occasionally on the first Thursday afternoon of the month at a member's house to plan our forthcoming adventures, unless we have arranged a "jolly" somewhere in which case the time and day might vary.

If you would like to find out more about the New Forest and its environs do come along and join us.

The following are ideas for the second half of 2018

Guided Walk of Southampton Walls and Vaults – these guided walks are about 90 minutes duration and are not energetic walks.

Winchester Guided Tour – I think this would be good to do later in the year. The tours are again about 90 minutes duration and are not strenuous. A great way to learn about the history of this City.

New Forest Open Top Buses – red, green and blue - A great way to see the Forest. The buses start in July. If any of these appeal to you

Please contact Jo if you are interested in joining in any of these
