

Pub Lunches

Group organisers Margaret Briggs and Maureen Thatcher, sample the wares of pubs located in and around the Ringwood area to check that the food is good, we can be accommodated comfortably together as a group and that there is adequate parking.

We meet at the selected venue at 12.30pm on the last Friday of the month (generally except August and December).

We each select our own choice of lunch from the menu and pay at the time of ordering.

Numbers attending can range widely from 8-30 for any number of reasons.

All members are welcome to join but will need to initially contact the organisers on the group email address (ringwoodu3apublunches@hotmail.com) giving their name(s) in order to receive notification of future dates and venues.

You will then need to reply to each notice to confirm if you wish to attend so that the chosen pub can be advised of the numbers they can expect.

We look forward to welcoming you
