

Walks

All U3A members are welcome to join any of our walks. Non U3A members are also welcome but please be aware that if you are not a member you will not be covered by our insurance.

Well behaved dogs welcome, but please be prepared to put your dog on a lead if necessary particularly near livestock or when ground nesting birds may be present.

All walks start at **10.00 am** unless otherwise notified and usually last 1.5 hours. Please arrive slightly early to start on time and car share if you can.

Starting points are usually given as map references, but if we can give you a post code we will. If you think you may have trouble finding the start, do phone the leader in advance for directions.

Following advice set down by the U3A we must ask that you let the leader know in advance if you plan on attending the walk, and if you change your mind and decide to cancel please inform us by 9.30 am on the day so that we don't wait for you in vain.

Please do not attend if you are feeling unwell, and or if the weather is dreadful - if you don't feel like walking in the torrential rain it is likely your leaders won't feel like it either!

Routes are subject to slight change on the day depending on the state of the ground, and as usual when walking in the forest in the autumn, be prepared for mud.

Of course, like every activity, we are bound by government advice so if changes are made we may have to re-think our plans. We have certainly missed walking with our groups and look forward to seeing some of you soon.
