

Whist

This Group which started in September 2019 is going well.

Whist is a very social card game and initial help, written instruction sheets and all necessary cards and score sheets will be provided.

We have sessions at 2pm on Wednesdays. If numbers of attendees are sufficient we will continue with 2 sessions a month.

Please note that there will be a festive break during December, resuming on 8th January 2020.

These are taking place at The St Ives Country House Care Home, Horton Road, Ashley Heath who have kindly offered us the use of their very comfortable ground floor lounge with a dozen 4 chair tables, along with complimentary tea-coffee in exchange for some of their residents being able to take part.

Parking - please use the Visitors Car Park - on the left as you drive in the gates but if full go to the overflow which is down the turning on the right.

If interested in attending please contact Terry Smith on 01425 471880.
